

## «Criminal Law» (32 ECTS)

### Description

The Profile «Criminal Law» deepens the student's knowledge of criminal law at a broad level. The course Criminal trials I combined either with Criminal trials II (legal assistance) or Criminal sanctions law also fulfils the requirements for the Profile «Practise and Procedures of Law». The majority of the courses are offered as semester courses, although intensive block courses are also offered.

### Requirements

Those aiming for the Profile «Criminal Law» must earn at least 32 ECTS-points through intensive block and semester courses, Master's thesis and research thesis, which count for this Profile.
