

«State, Constitution and Administration» (32 ECTS)

Description

Almost all aspects of modern life are pervaded by public law. With the Profile «State, Constitution and Administration» the students have the possibility to deepen their knowledge in state and administration law. The broad selection of courses allows students to set an emphasis in his or her own area of special interest.

This Profile is intended for those wanting to be active in Administration or in international or intercantonal organisations, also for those wanting to work as a lawyer or within the justice of administration.

Requirements

Those aiming for the Profile «State, Constitution and Administration» must earn 32 ECTS- points through a variety of academic achievements (block and semester courses, Master's thesis, research thesis) which count for this Profile.
