

Terminologia Anatomica Acknowledgements

Financial

During the period in which the Committee has worked on this terminology it has been fortunate to have the support of the societies and associations to which the individual members of the Committee belong. These organisations have helped with the travel costs and subsistence for meetings of the FCAT. The committee thanks them for their support.

In addition some meetings of the FCAT have been partially or totally sponsored by:

- Novartis Ltd, Switzerland
- ZLB Central Laboratory Blood Transfusion Service SRC, Switzerland
- Banco Real, Brazil
- American Association of Anatomists
- Anatomical Society of Great Britain and Ireland
- IFM (International Federation of Anatomical Associations)
- Anatomische Gesellschaft
- Carl Zeiss Jena GmbH, Germany
- Dianova GmbH, Germany
- Freunde der Universität Mainz, Germany
- Georg Thieme Verlag, Germany
- Gustav Fischer Verlag, Germany
- Nederlandse Anatomen Vereniging
- Springer Verlag, Germany
- Universität Mainz, Germany
- Urban & Schwarzenberg Verlag für Medizin, Germany
- DFG, Germany

Meetings of the FCAT have been held in conjunction with and thus assisted by:

- International Symposia on Morphology at Nancy, France; Toronto, Canada; Barcelona, Spain; Thessaloniki, Greece; and San Jose, Costa Rica.
- Joint meetings of the Anatomical Society of Great Britain & Ireland, Anatomische Gesellschaft, and Nederlandse Anatomen Vereniging in Southampton, UK; Utrecht, Netherlands; and Jena, Germany.

- The meeting of the Anatomical Society of Great Britain and Ireland in Nottingham, UK.
- The IFM congress held in Lisbon, Portugal.

Academic

The FCAT wishes to thank those individuals who assisted the Committee during its deliberations:

- Prof. B. Berkovitz
- Prof. L. Heimer
- Prof. C. K. Henkel
- Prof. T. P. Ma
- Dr. J. E. McNeal
- Prof. N. A. Moore
- Dr. R. P. Myers
- Prof. R. Nieuwenhuys
- Prof. G. Paxinos
- Prof. H. J. Ralston
- Prof. C. B. Saper
- Prof. J. E. Skandalakis
- Prof. L. W. Swanson
- Prof. H. B. M. Uylings
- Prof. J. Voogd

While the individuals acknowledged here gave valuable expert advice, the final terminology is the responsibility of the FCAT
