

## Terminologia Histologica Acknowledgements

### Financial

During the period in which the Committee has worked on this terminology it has been fortunate to have the support of some of the societies and associations (0 which the individual members of the Committee belong. These organizations have helped with the travel costs and subsistence for meetings of the FICAT. The committee thanks them for their support.

In addition. some meetings of the FICAT have been partially or totally sponsored by:

- IFAA (International Federation of Associations of Anatomists)
- American Association of Anatomists
- Anatomical Society of Great Britain and Ireland
- Italian Society of Anatomy and Histology
- American University of the Caribbean. School of Medicine. St. Maarten, NY
- Faculty of Medicine, Maastricht University
- Kochi Medical School
- Swiss Academy of Sciences
- University of Cagliari
- University of Mississippi Medical Center, Jackson
- University of Stanford Medical School
- University of Tasmania
- Elsevier Publishers
- Kyphon Inc
- Tsuneishi Dermatology Clinic, Kochi
- Susaki Kuroshio Hospital. Susaki
- Atago Hospital. Kochi
- Takemoto Hospital. Nakamura
