

Research Assistant Position at the Chair of Corporate Finance and Corporate Governance

Tasks to be performed: Explore and document the different types of data and tools available in the Workspace-Datastream, FactSet, and NRG Metrics databases. Document how to use these databases, create tutorials for users, and prepare guides containing the main information/data available in these databases.

Qualifications: Be interested in finance/economics. Ideally, have already used one or more of these databases. Good knowledge of office software and the internet. At a minimum, have passed the exams of the first two years of a Bachelor's degree in economics and/or management and be on track to obtain a Bachelor's degree. Language requirements: be proficient in French and English, or be proficient in French and have a good knowledge of English.

Workload: 33 hours/month

Contract duration: 3 months (possibly renewable)

Start date: July 1, 2026 (or possibly at a later date, to be discussed).

Working hours: Flexible

Workplace: Partly at the university and partly flexible.

Application: The position is open immediately; applications should be sent as soon as possible.
