

SWISS SED 32nd Edition

It is a pleasure to announce that the SwissSed Meeting will be held at the University of Fribourg on Saturday, **7th March 2026**.

The SwissSed annual meeting is an open platform for research in the broad field of Sedimentology and beyond. It aims to stimulate dynamic discussions, new contacts and collaboration between sedimentologists from Switzerland and beyond.

We invite you to participate and contribute by presenting your research.

Call for abstracts and registration are open. Please check the SwissSed homepage for more information.

SwissSed homepage: <https://www.unifr.ch/geo/carbonatesedimentology/en/swissded.html>

Registration fee: CHF 70.- (40.- for CUSO ESPP and DPMS postdocs, PhD, MSc and BSc students) includes lunch, coffee and apéro and can be paid on site (cash or twint)

Registration and abstract submission: email to swissded@unifr.ch
