

Spring Workshop and Guest Lecture, 7 May 2025

The renowned Professor Robert Gerwarth (UCD) will accompany the afternoon panel of our spring workshop. Two of the PhD-students of our doc program will have the opportunity to present their own project and have it commented on by Prof. Gerwarth. He is currently working on a large ERC project on civil wars (<https://civil-wars.eu>). In the second part, we will have the opportunity to discuss with Robert Gerwarth topics such as publishing the dissertation or advertising one's own research. In the evening, Robert Gerwarth will give a guest lecture for us.
