

# Course Enrolment

19.01.2023

From **February 15 (14.00) to February 19, 2023**, for **each course** you want to take, you must register via **myunifr.ch** (Headings: *Etudes* or *Studium*).

For the students who started their stay in the autumn semester 2022, the registrations for the annual courses of the Bachelor programme that you have already made in the autumn semester 2022 are also valid for the spring semester 2023. Nevertheless, please check between 15 and 19 February 2023 whether your registrations are still correct (see point 5 of these instructions).

When you register for a course, be aware that this registration does not count as a registration for the examination. You will have to **register** in due time **for the exams** you wish to take (cf. [Liste des dates importantes 2022/2023](#)).

Please proceed as follows:
