Course Schedule Disclaimer: This Course Schedule may change due to unforeseen circumstances or the professor's availability. Please check for updates on this Schedule and stay informed through all official channels available. Every effort is made, based on feedback and past experience, to indicate in advance whether a lecture will be recorded. However, please note that professors have the right to decline recording, and in some cases, this may only be known at the last minute. We appreciate your understanding.

Right on the law.
