Opening

The Department of Mathematics invites applications for a

Postdoctoral Position in Mathematics

The appointment starts on September 1st 2026 or at the earliest convenience of the candidate. It is awarded for 2 years and comes with a light teaching load.

Applications will be considered on a rolling basis. For full consideration, submit your application by the 15th of July 2026.

Every research topic related to one or several of the department's interests is welcome. Please indicate at least one senior member of the department with whom you may be affiliated.

For more information on the department, see www.unifr.ch/math.

Applications should contain:

- letter of motivation
- curriculum vitae
- list of publications
- concise statement of research
- names and addresses (including email) of 3 references

Please send all documents in a single pdf file.
