

## Doc.Mobility

### Fellowship rates 2021- 2024

The fellowship rate depends on marital status, family obligations and the cost of living in the country of stay. Countries were grouped according to the cost of living (Annex 1).

The fellowship includes the **personal maintenance of the beneficiary as well as possible congress costs**.

Additional grants may be requested with binding maximum rates, provided that the relevant requirements are met:

- A flat-rate contribution towards travel costs is paid in addition to the grant (Annex 2).
- a grant towards matriculation fees at the host institution, provided a proof that a request for such fees to be waived was rejected. (**max. CHF 5'000.--/year**)
- a grant to cover the essential costs of conducting the research project, provided a proof from the host institution is not making any corresponding contributions. **max. CHF 1'000.--/ semester**
- a child allowance, according to the standards in force at the University of Fribourg child allowances contributed by third parties are deducted.
