

The Research Proposal: How to convince evaluators to fund your Horizon Europe research project

Description and objectives

The workshop offers you:

1. An overview of requirements for Horizon Europe projects (including ERC, MSCA, and collaborative projects across Pillar 2).
2. Advice and tips from evaluators of all proposal types
3. Coaching in groups on each section of the research proposal including:
 1. The abstract
 2. The introduction/state of the art
 3. Methodology/Research Plan
 4. Impact
 5. Budget
4. Individual Coaching for each participant's proposal plans

Approach

Presentation, discussion, exercises, taking into account of the individual cases of the participants.

Trainer

Dr. Jennifer McClung, psychologist and biologist, National Contact Point for Horizon Europe grants
