

Licensing to UNIFR's start-ups	
The Rectorate agreed on a general strategy for licensing to UNIFR's start-ups in 2021. This strategy will be adapted on a case-by-case basis.	
Significance:	Start-ups founded by UNIFR researchers with ideas and technologies developed at Unifr are supported by UNIFR in various ways. Advantageous IP licenses are among them.
Guidance:	A clear and transparent IP policy facilitates communication between UNIFR and start-up founders.
Starting position:	<p>The starting position, which can be adjusted, of UNIFR regarding IP for startups is:</p> <ul style="list-style-type: none"> - License - Exclusive - No time limit - Minimum service (= annual maintenance fee). - External costs for maintenance covered by the startup. <p>In addition, UNIFR negotiates the following fees depending on the situation:</p> <ul style="list-style-type: none"> - Sublicense and exit fees - License fees on net sales - Milestones
