Linking ORCID to Unifr

Version 15st September 2021

Link ORCID iD with Unifr directory

Unifr recommends that researchers register their ORCID iD in "MyUnifr" in order to link it with Unifr directory. ([See the screenshot](#))

In the page <https://my.unifr.ch/informations-personnelles>

- Enter the ORCID alphanumeric code (4x4 characters) in the appropriate box under your name.
- Scroll down to "**Mes recherches, Publications et Engagements**" "**Meine Forschungen, Publikationen und Anstellungen**" (My Research, Publications and Commitments) and follow the procedure in "**Ajouter une liste**" "**Liste hinzufügen**" (Add a List).

Procedure to link your work to the Unifr directory:

In "**Ajouter une liste**" "**Liste hinzufügen**" (Add a List):

- Give a title to the list of works: you can give the same title in the 3 languages
- Choose ORCID in "**Type de contenu**" "**Inhaltstyp**". (Type of content).
- Two ways to display the works :

All works displayed listed by year of publication	Your works displayed by category
<ul style="list-style-type: none">- In "work Type" choose "Tous" / "Alle" / "All"- Choose the format in which the references are displayed in "Format de Presentation" / "Präsentationsformat" / "Presentation format"- "Enregistrer" / "Speichern" / "Register"	<ul style="list-style-type: none">- Choose "A définir" / "Zu definieren" / "Define"- "Add a work type", choose the "Work category":<ul style="list-style-type: none">- Publications,- Conferences,- Intellectual Property- others- Choose the "Work type(s)" to be added**- Choose the format for the display of the references in "Format de Presentation" / "Präsentationsformat" / "Presentation format"

**Qu'est-ce que c'est?* / *Was ist das?* shows the format template

**All categories of work types defined by ORCID are listed.

You can create several lists with different contents.

Once registered, a list(s) of your works appear in MyUnifr under "**My Research, Publications and Commitments**" as well as **on your web page in the directory of the University** under "**Research and Publications**".
