

# « Emergence & implementation of ESG norms: the example of European investment funds »

Conference of  
**Dr. Adam Marszk**

followed by a discussion.

In the context of the course « Transnational enterprises in  
Global Society » of Professor Paul H. Dembinski

Monday, 2nd May 2022, 15h.15 – 17h.00  
Université de Fribourg, Bâtiment Pérolles 21  
Bld. de Pérolles 90, Auditorium A230

Since 2013, Dr. Adam Marszk is assistant professor at the Faculty of Management and Economics, Gdansk University of Technology (Poland).

He has authored and reviewed many publications in local & international journals (financial innovations, linkages between financial markets and economy, financial systems in underdeveloped economies, economic integration, and portfolio management).

Since October 2021, he is carrying out a postdoctoral study under the supervision of professor Paul H. Dembinski, about exchange-traded funds (ETFs) from an ethical point of view.
