Professional Planning

Research and Society

**Organization, Management and
Planning**

I'm already doing my thesis, that's enough!

I'm too busy... I'll think about it later!

It's all for those leaving in the private sector. I'm going to be a professor !

**Skills of your PhD are
the Skills for your Career**

How to participate ?

- ▶ Register as a CUSO doctoral candidate on the website of the doctoral programme closest to your field of research
- ▶ Register for online activities via the myCUSO space (including for the transversal programme)
- ▶ Take an active part in the modules (thesis presentations, talks, discussions between experts, posters)
- ▶ Propose an activity for the following year
- ▶ Join the programme's scientific committee as a doctoral student representative
