

Annex II

Directives for the preparation and lodging of the thesis

1. The thesis must be printed on white A4 format paper. Annexes larger than A4 format must be folded to A4 size. The thesis shall be composed of the following:
 - a title page whose recto and verso correspond to the model supplied
 - an optional dedication
 - an index
 - a summary in English and at least one other summary in one of the national administrative languages (French or German)
 - the text of the thesis
 - optional acknowledgments
 - a *curriculum vitae*
2. The thesis must be printed using a laser or ink-jet printer. An unbound original version of the thesis, placed in a folder marked accordingly, must be handed over to the Dean's office upon inscription for the doctoral examination. The examiner must place his signature of acceptance on the verso of the title page.
3. After the Dean has accorded the status « Ready for printing » (on the verso of the title page), four cardboard-bound copies (without spirals or plastic) of the thesis prepared by photocopying, offset printing, or any equivalent process must be handed over, along with the original version, to the Dean's office.
4. The Dean's office distributes these copies as follows:
 - a) the original version, in order for copies to be made, to the Department where the thesis supervisor is engaged or the Department where the research work was carried out, respectively.
 - b) one of the four cardboard-bound copies to the Faculty library and the three others to the Cantonal and University Library.
5. In agreement with all persons concerned, supplementary copies, as necessary, should be made for the co-examiners and the Department.
