

## COVID-19 Pandemic

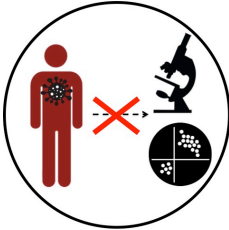

# Preventive Measures in Core Facilities

*From 11<sup>th</sup> of May 2020, instruments in Bioimage and Cell Analytics Facilities can be accessed following additional preventive measures:*

Stay home if you are experiencing **COVID-19 symptoms** or have been in contact with someone displaying symptoms.

Booking has to be done using **Open IRIS**.

**Wash your hands** thoroughly with soap before and after the use of the facility.

Wear **new gloves** and **personal lab coat** at all times. **Safety glasses** are recommended.

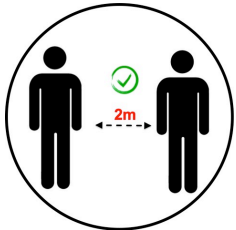

**Wear a face mask** whenever physical distancing is compromised.

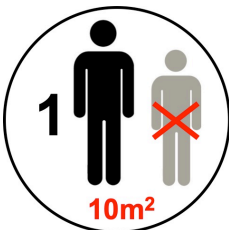

**Disinfect** working surfaces with **70% EtOH** before and after use.

**Trash** cleaning tissues in dedicated waste bins.

Keep your **distance** of at least **2m** from co-workers. Only **one person** per instrument and per facility room (less than 20m<sup>2</sup>) is authorised.

**Remote support** and assistance is provided. Please contact the facility staff per phone or mail.
