

## **JUNIOR LEGAL COUNSEL, LUGANO (SWITZERLAND)**

### **Ref. 849**

An international commodity trading company in Power and Gas is seeking to hire a Junior Legal Counsel.

The company is located in the heart of Ticino in picturesque [Lugano](#) with a young enthusiastic and entrepreneurial team.

The Junior Legal Counsel will perform the following tasks:

- work closely under the General Counsel and assist the General Counsel with in-house legal work such as legal drafting, research and, in particular, the regulatory compliance of the company in each European country;
- assist the General Counsel in the review of EFET contracts and documentation related thereto and ISDA contracts;
- editing and managing documents by reviewing content, confirming accuracy of information, suggesting additional changes, and updating information;
- assist the General Counsel in ensuring the company's compliance with its regulatory and legal obligations, making sure all the documentation is compliant and up to date.

Professional requirements:

Legal degree;

Minimum 2 years experience as a Junior Legal Counsel;

Excellent verbal and written communication skills;

Excellent computer skills (Word, Excel, Outlook, Power Point, and the Internet)

Italian mother tongue, excellent knowledge of English language and/or good knowledge of German (every other language is a plus).

Experience in an energy trading company is a plus.

Experience in EFET and ISDA Agreements is a plus.

Personal requirements:

Highly motivated and precise person who is eager to learn new things;

Pro-active and reliable person who has the ability to work under pressure;

Person that is able to work both autonomously and within a team.
